Yes. It was done that way by my authority because I was home sick and the date for a response came and you and had discussed that offer and I believed it was consistent with MCC's fundamental position and authorized him to make that offer.

Jennifer,

There may be confusion about whether a counter settlement offer was made prior to confirmation from MCC. Can you please tell me if Josh delivered information to Genomatica about the \$2.3 prior to confirmation from MCC?

Thanks,  
Nick
